This letter of Mr. Subramanya Iyer was just recd. It obviously relates to the question of sending presentation copies of the Reforms Com's report to the persons, journals and magazines mentioned in the list sent with the letter.

The Dewan's instructions that the requisite no. of copies may be sent to Dr. Seal and that he may himself directly send the copies to those to whom he wishes to send them have been already communicated to Dr. Seal. But yet the list is sent to us and it is apparently intended that the copies should be sent by the Govt. ~~Hence the letter relates~~ Such a procedure is rather odd and unusual. There is no objection however to the copies being sent in Dr. Seal's name. The actual work of dispatch will be attended to here.

Mr Ranga Rao read" in the opinion of the Vice-Chancellor the proper course would be for the Special Reforms Spl. Asst and the copies under instructions from the Dewan". To this Mr Ranga Rao sent a reply on the same day communicating the Dewan's instructions originally given. Mr Subramanya Iyer writes again forwarding a revised copy of the persons whom presentation copies are to be sent. Mr Ranga Rao's last letter is not referred to.

It does not appear desirable that copies of the Committee's report should be sent from the first itself, as in probability the Foreign newspaper politicians & under the Dewan's instructions. It is for more appropriate that they should be sent by Local himself. Any assistance in the matter of packing & despatching can be given from the Secretariat but the letters accompanying will need be given by Local himself.

Dear Dr. Seal.

W. Subramanya Iyer's letter of the 24th inst to Mr Rauze Rao about presentation Copies of the Reforms Committee Report being sent by the Special Reforms Officer under my instructions has been submitted to me. I had already given instructions to the Chief Secy ~~in the matter~~ to send you 50 Copies of the Report which you ~~may~~ might yourself send to persons to whom you desire to show this Courtesy. I do not think it would be quite appropriate ~~for the Govt Secty~~ to send out Copies of the report ~~memorandum~~ to foreign newspaper politicians Publicists, or ~~that the Copies should be sent~~ from the Govt Secty under my instructions. Any assistance that you may desire in the way of packing despatching etc, will be given from the Secty's Covering
